GRENADA MEDICAL AND DENTAL COUNCIL

REGISTRATION AND LICENSING REQUIREMENTS

The Grenada Medical and Dental Council (GMDC) welcomes applications for registration as a medical or dental practitioner in Grenada. The Council promotes quality health care for the citizens of Grenada, Carriacou and Petit Martinique, and thanks you for your interest in working to achieve this objective.

Please submit the documents listed below as part of your application for registration. We appreciate your patience, understanding and cooperation throughout the process.

Documents Required

Identification

- Two forms of valid government-issued identification
- Two Passport Sized photographs
- Curriculum Vitae (Resumé)

Education and Competencies

- Notarized copy of Medical Degree, Diploma, Course Certificates and Post-Graduate Degree.
- Statement of Verification of MD Degree or equivalent from Grenada National Accreditation Board.
- Notarized copy of current Medical Registration and Notarized copy of current Medical Practicing License (if applicable)
- Evidence to prove competency in English Language, both verbal and writing skills (Non-English-speaking natives only)

Referees

- Two (2) letters of professional reference
- A Letter of Good Standing from current medical registration Board[i]
- Medical certification of fitness to work

Insurance

- Evidence of indemnity coverage applicable in Grenada[ii].
- All copies of Mal-practice Insurance coverage must be notarized.

NB: All documents must be in English or translated by a registered public interpreter and certified by a Notary Public

Non-nationals

- CARICOM nationals may submit a valid CSME Skills Certificate.
- International applicants must obtain a work permit from the Ministry of Labour.

English Assessment

- Applicants must successfully complete a written English assessment administered by the Council.
- The Council may also require a verbal English assessment, where necessary.
- Successful completion of the required assessment(s) is mandatory for registration.

---

[i] A letter stating that no medical legal action has been taken or is pending against the applicant.

[ii] Not applicable to doctors who provide voluntary services duly authorized and supervised by the Government for the duration of a project. Where doctors provide voluntary services through a Civil Service Organization or Faith-Based Organization, that organization must accept liability for those services in the absence of individual indemnity insurance.
